(FOR KEY SEE REVERSE)

1. At 0500Z on 7 October 6x6 trucks were travelling southeast of Tungyuan (N 24-36, E 118-13).
2. At 0530Z there was activity behind six nets on the west height of Chiaohsu (N 24-34, E 118-24).¹
3. At 0725Z seven trucks and two jeeps were travelling west toward Chitung (approximately N 24-36, E 118-22).
4. At 0755Z two F-47's circled Amoy without dropping any bombs or encountering any anti-aircraft fire.
5. At 0800Z 37 rounds of Chinese Communist artillery fire fell on Little Chinmen.

1. Comment. Possibly the Chinese Communists were facing guns in the midst of these dummy positions.
